

LANGE ESTATE PINOT NOIR
WILLAMETTE VALLEY EOLA-AMITY
HILLS TEMPERANCE HILL 2017

This has a very impressive feel in many respects. There's an abundantly ripe array of rich red and dark cherries with a palate that delivers a sleek, long and seamless feel. Polished and majestic tannins and so full of dark-cherry flavor. This is very unevolved and very precise and will age superbly. Try from 2023.
