

LANGE ESTATE WINERY

2022 Rosé of Pinot Noir

VINIFICATION Our 2022 Rosé of Pinot Noir was made entirely from sustainably-farmed fruit grown on our Dundee Hills Estate. Our winemaking team used 100% free run juice, then aged it in stainless steel and neutral French oak puncheons to give it textural nuance at the mid-palate. Individual lots were fermented with a number of proprietary yeasts, contributing to this wine's balanced character and aromatic complexity.

THE VINTAGE "Winter precipitation was above the 1991-2021 average by about 10%. April came on with great promise, then, the middle of the month turned cold, leading up to an unprecedented freeze that impacted some primary buds. Our spring and early summer continued to be quite cool (at around 2.2° below average) with rain events persisting into early June. As we moved

into summer, the season came on strong, hot and dry, with temperatures running almost 6° above normal from August through October. This was the point at which our abundant winter rains came into play, allowing the canopy to stay green well into the fall. Warm, dry conditions in October gave us the latitude to ripen all the fruit that had gotten off to a late start. Our last pick on October 21st ended just before the autumn rains commenced.

The yields across all vineyards, which were projected to be 30% of normal, ended up in the normal range. Early indications point to lovely, classic white wines with ripe fruit character and well defined acid backbones, while our pinot noirs show high-toned aromatics and rich, concentrated flavors." — Executive Winemaker, Don Lange

VARIETAL	100% pinot noir	AROMAS	melon, Rainier cherry, strawberry orange blossom, wet stone
CLONES	a blend of the Dijon clones 115, 114, 113, and Pommard	FLAVORS	red berries with delicate floral and mineral tones
APPELLATION	Dundee Hills	BODY	fresh and convivial, with mouthwatering acidity
ALCOHOL	12.9%	FINISH	a persistent, energetic finish of wet shell and mandarin orange
PRODUCTION	1,100	ACCOLADES	2022 - 92 Points - International Wine Report 91 Points - Wine Enthusiast 90 Points - Jeb Dunnuck
FERMENTATION & AGING	stainless steel and neutral French oak puncheons		
RETAIL	\$29
