### Lange 2022 Classique Pinot Gris Willamette Valley

Lange consistently produces exceptional Pinot Gris. This is another in a long line of examples. The aromas are exuberant, with notes of yellow apple, star fruit, peach, and whole kiwi. The palate is rich, textured, and loaded with fruit flavors while remaining poised and balanced throughout. As with the best examples of this variety from the valley, the acid propels it forward and keeps the exuberant fruit in vivid focus.
