THE BOTTLING

The 2024 Classique Chardonnay is part of our Classique Series, designed to showcase our Lange style and be a reflection of the region's unique climate, geography, and growing conditions on a macro scale. Our Classique series is rambunctious and fruit-driven in style, with the character to bring enjoyment over the long term.

THE VINTAGE

"The growing season was, in a word, quintessential. A very balanced and even spring and summer— warm but not hot.

Some scattered showers during spring flowering led to variation on fruit set and within some clusters- which can be challenging for sampling but can also provide additional cluster complexity. Harvest and picking 2024 commenced on September 21st with picking still (and sparkling!) Rose, along with some Estate Chardonnay and Pinot Gris. It was book-ended on October 12th with the final pick of our Lucky River Pinot Noir "Pommard".

Most importantly, flavors were highly developed and packed with complexity- and the resultant wines showcase a very classically polished, Willamette Valley profile, albeit with some flashes of power. Exciting wines indeed! — Jesse Lange

TASTING NOTES

Opens with preserved lemon, pear, limestone, and orange blossom. The palate carries notes of ripe pineapple, tart passion fruit and citrus. The body is graceful with a refreshing zip. The finish hints at almond with bright green apple acidity.
