THE BOTTLING

The Classique series includes three varietals - pinot gris, chardonnay, and pinot noir. The provenance of this tier of wines is Oregon's North Willamette Valley, a broad and diverse American Viticultural Area. These bottlings are a reflection of the region's unique climate, geography, and growing conditions on a macro scale. The wines from these series are rambunctious and fruit-driven in style, with the depth and character to bring enjoyment over the long term.

THE VINTAGE

"The growing season was, in a word, quintessential. A very balanced and even spring and summer— warm but not hot.

Some scattered showers during spring flowering led to variation on fruit set and within some clusters- which can be challenging for sampling but can also provide additional cluster complexity. Harvest and picking 2024 commenced on September 21st with picking still (and sparkling!) Rose, along with some Estate Chardonnay and Pinot Gris. It was book-ended on October 12th with the final pick of our Lucky River Pinot Noir "Pommard".

Most importantly, flavors were highly developed and packed with complexity- and the resultant wines showcase a very classically polished, Willamette Valley profile, albeit with some flashes of power. Exciting wines indeed! — Jesse Lange

TASTING NOTES

Opens with notes of blackberry, plum, and highlights of Bing-cherry and cranberry on the nose. Fine, round tannins smooth out quickly on the elegant palate with red berries and light baking spice, and a hint of orange zest. Vibrant mouthfeel with darker fruits on the finish with mineral tones.
